MEMORANDUM FOR: Information Review Officer, DO

FROM:

Chief, Classification Review Division
Office of Information Services, DA

SUBJECT:

Department of State Draft, FRUS,
1955-57, Vietnam

1. Attached are pages of interest to the DO taken from two additional increments of documents selected for the Department of State Foreign Relations of the United States volume, 1955-57, Vietnam. These are in addition to those items previously reviewed in 1981 and earlier in 1984; the new pages can be identified by a capital A added to the number, e.g. 510 VM 39A, 510 VM 53A, etc.

2. Each page has been reviewed by the Classification Review Division. Suggested deletions are red bracketed, and a worksheet detailing CRD's recommendations and the justification for these deletions under E.O. 12356 is attached. You will note that two suggested deletions are in material which is already set up in galley, and are not the recent suggested additional pages. These are pages 1032 and 1116 which are on the attached chart.

3. We request your overall review as soon as possible in order that we may return this material to the State Department. Please return the draft pages, along with comments, when your review is completed.

4. We have attached only those pages in question from the FRUS; the entire 200 pages of the increments are available for your review if you desire to see them.
